CONTENTS

TABLE DES MATIÈRES

N° 1

Page

Update — Le point

Evolution of activities in international biological standardization since the early days of the Health Organisation of the League of Nations — *P. Sizaret* 1

Prevention of cardiovascular disease among the elderly — *M.J. Karvonen* 7

Les maladies à streptocoques dans le monde: situation actuelle et perspectives — *J. Rotta & T. Tikhomirov* 15

Importance des parasitoses intestinales en santé publique — *Comité OMS d'Experts* 23

Memoranda — Mémorandums

Immunologie de l'infection par le VIH et du SIDA: Mémorandum d'une Réunion OMS/UISI 35

Research — Recherche

Antigenic heterogeneity within influenza A(H3N2) virus strains — *J.C. de Jong, F.M. de Ronde-Verloop, T.M. Veenendaal-van Herk, T.F. Weijers, K. Bijlsma, & A.D.M.E. Osterhaus* 47

Influenza surveillance in Singapore: 1972–86 — *S. Doraisingham, K.T. Goh, A.E. Ling, & M. Yu* 57

The changing epidemiology of diphtheria in Jordan — *N. Khuri-Bulos, Y. Hamzah, S.M. Sammerrai, A. Shehabi, R. Hamed, M.A. Arnaout, J. Turk, & H. Qubain* 65

Mortality from neonatal tetanus in rural Côte d'Ivoire — *D.C. Sokal, G. Imboua-Bogui, G. Soga, C. Emmou, & T.S. Jones* 69

A monoclonal antibody for the specific diagnosis of plague — *J.E. Williams, M.K. Gentry, C.A. Braden, G.L. Tyndal, P.L. Altieri, S. Berman, & D.M. Robinson* 77

Human African trypanosomiasis: use of double centrifugation of cerebrospinal fluid to detect trypanosomes — *P. Cattand, B.T. Miezan, & P. de Raadt* 83

Utilisation de la technique ELISA dans le dépistage des moustiques infectés par *Plasmodium falciparum* — *C. Boudin, V. Robert, J.P. Verhave, P. Carnevale, & J.H.E.T. Meuwissen* 87

Recommendations for the use of Taylor series confidence intervals for estimates of vaccine efficacy — *A.W. Hightower, W.A. Orenstein, & S.M. Martin* 99

Page

Effects of interventions on community awareness and treatment of hypertension: results of a WHO study — *G.B. Ambrosio, T. Strasser, J.E. Dowd, J. Tuomilehto, A. Nissinen, A. Froment, H. Milon, J.M.P. Miguel, I. Macias-Castro, N. Dondog, S. Zamboni, & C. Dal Palu* 107

WHO News and Activities — Notes et activités OMS

Rapid diagnosis of infectious diseases and production of immunological reagents — Diarrhoeal Diseases Control Programme: support of biomedical research projects in 1988 — Epilepsy: use of primary health care workers in developing countries — Organic compounds in indoor air — Yellow fever in 1986 115

Diagnostic rapide des maladies infectieuses et production de réactifs immunologiques — Programme de Lutte contre les Maladies diarrhéiques: Appui au projet de recherche biomédicale en 1988 — Epilepsie: utilisation des agents de soins de santé primaires dans les pays en développement — Polluants organiques dans l'air des locaux — La fièvre jaune en 1986 123

WHO Recent publications — Publications récentes OMS 131

N° 2

Update — Le point

The work of the WHO Consultative Group on Poliomyelitis Vaccines — *W. Chas. Cockburn* 143

Self-measurement of blood pressure — *World Hypertension League* 155

La prévention des maladies cardio-vasculaires chez les personnes âgées — *M.J. Karvonen* ... 161

Mise au point de méthodes immunologiques de régulation de la fécondité — *J. Spieler* 171

Memoranda — Mémorandums

Development of recommendations for the protection of short-stay travellers to malaria endemic areas: Memorandum from two WHO Meetings 177

Research — Recherche

Measurement of antibodies to human immunodeficiency virus: an international collaborative study to evaluate WHO reference sera — *A.J. Garrett, V. Seagroatt, E.M. Supran, K.O. Habermehl, H. Hampl, & G.C. Schild* 197

Evaluation of a dual-antigen ELISA test for the serodiagnosis of tuberculosis — *S.F. Raheman, S. Wagner, H. Mauch, N.D. Vasudeva, & D.L. Ingole* 203

A specific ELISA method for determining chloroquine in urine or dried blood spots — *V. Rowell, F.J. Rowell, A. Baker, D. Laurie, & A.M. Sidki* 211

Evaluation of four therapeutic regimens for falciparum malaria in Mozambique, 1986 — *A. Schapira & J.F.L. Schwalbach* 219

Page

Malaria: treatment efficacy of halofantrine (WR 171,669) in initial field trials in Thailand — *E.F. Boudreau, L.W. Pang, K.E. Dixon, H.K. Webster, K. Pavanand, L. Tosingha, P. Somutsakorn, & C.J. Canfield* 227

An analysis of mortality trends among refugee populations in Somalia, Sudan and Thailand — *M.J. Toole & R.J. Waldman* 237

Reviews — Analyses

Diagnostic technology in cardiovascular disease: review of noninvasive methods for population studies — *R.F. Gillum* 249

WHO News and Activities — Notes et activités OMS

AIDS: 1987 revision of CDC/WHO case definition — Alcohol and accidents — Dengue vaccine development — Safety requirements for contraceptive steroids — WHO and traditional medicine 259

SIDA: Révision 1987 de la définition CDC/OMS du cas de SIDA — Alcool et accidents — Mise au point de vaccins contre la dengue — Normes d'innocuité des contraceptifs stéroïdiens — L'OMS et la médecine traditionnelle 269

WHO Recent publications — Publications récentes OMS 279

N° 3

Update — Le point

The WHO International External Quality Assessment Scheme for haematology — *S.M. Lewis* 283

L'automesure de la tension artérielle — *Ligue mondiale contre l'hypertension* 291

Evolution des activités de la standardisation biologique internationale depuis la fondation de l'Organisation d'Hygiène de la Société des Nations — *P. Sizaret* 297

Memoranda — Mémorandums

Epidémiologie de la pharmacorésistance des plasmodies: Mémorandum d'une réunion de l'OMS 303

Infections génitales humaines à papillomavirus et cancer: Mémorandum d'une réunion de l'OMS 327

Research — Recherche

Microplate assay analysis of the distribution of organophosphate and carbamate resistance in Guatemalan *Anopheles albimanus* — *W.G. Brogdon, R.F. Beach, J.M. Stewart, & L. Castanaza* 339

In vivo and *in vitro* responses to quinine and quinidine of *Plasmodium falciparum* — *A. Sabchareon, T. Chongsuphajaisiddhi, V. Sinhasivanon, P. Chanthavanich, & P. Attanath* 347

Page

Effectiveness of amodiaquine, sulfadoxine–pyrimethamine, and combinations of these drugs for treating chloroquine-resistant falciparum malaria in Hainan Island, China — *Huang Qilin, Ouyang Weichuan, Zhou Jiexian, Wu Zhu, Zhang Kunyan, Huang Jiankang, Cai Xianzheng, Pang Xuejian, Fu Shigang, Wang Xiangfeng, & Liu Jian* 353

Circumsporozoite antibodies and falciparum malaria incidence in children living in a malaria endemic area — *L.W. Pang, N. Limsomwong, J. Karwacki, & H.K. Webster* 359

Chlamydial pneumonia in Costa Rica: results of a case–control study — *J.M. Farrow & J.B. Mahony* 365

Paediatric campylobacter diarrhoea from household exposure to live chickens in Lima, Peru — *O. Grados, N. Bravo, R.E. Black, & J.P. Butzler* 369

Anthropometric assessment of the nutritional status of preschool-age children in Cape Verde — *A. Wennberg* 375

Analysis of the causes of maternal death in China — *Zhang Lingmei & Ding Hui* 387

Reviews — Analyses

Current approaches to the development of vaccines effective against parainfluenza viruses — *B.R. Murphy* 391

WHO News and Activities — Notes et activités OMS

Control of hypertension in developing countries — Global prevalence of blindness — Removal of organic and inorganic micropollutants from drinking water — Laboratory diagnosis of rickettsial diseases 399

La lutte contre l'hypertension dans les pays en développement — Prévalence mondiale de la cécité — Elimination des micropolluants organiques et inorganiques de l'eau de boisson — Diagnostic des rickettsioses en laboratoire 405

WHO Recent publications — Publications récentes OMS 413

N° 4

Update — Le point

Foodborne listeriosis —*WHO Working Group* 421

Guidelines for predicting the dietary intake of pesticide residues — *Joint FAO/WHO Consultation* 429

Le système international d'évaluation externe de la qualité en hématologie organisé par l'OMS — *S.M. Lewis* 435

Memoranda – Mémorandums

Progress in the control of viral hepatitis: Memorandum from a WHO Meeting 443

Consultation with Directors of WHO Collaborating Centres on Influenza: Memorandum from a WHO Meeting 457

Page

Research — Recherche

Clinico-epidemiological features of monkeypox patients with an animal or human source of infection — *Z. Ježek, B. Grab, M.V. Szczeniowski, K.M. Paluku, & M. Mutombo* 459

Human monkeypox: secondary attack rates — *Z. Ježek, B. Grab, M.V. Szczeniowski, K.M. Paluku, & M. Mutombo* 465

Surveillance programme for the control of foodborne infections and intoxications in Europe: the first 6 years' experience in Scotland, 1980–85 — *J.C.M. Sharp, P.W. Collier, G.I. Forbes, & T.W. Hill* 471

A quantitative approach to recommendations on malaria prophylaxis — *M. Pappaioanou, H.O. Lobel, & C.C. Campbell* 477

Field application of a colorimetric method of assaying chloroquine and desethylchloroquine in urine — *R.W. Steketee, D.L. Mount, L.C. Patchen, S.B. Williams, F.C. Churchill, J.M. Roberts, D.C.O. Kaseje, & A.D. Brandling-Bennett* 485

Growth and malnutrition among preschool children in Democratic Yemen — *G. Bågenholm, B. Kristiansson, & A.A.A. Nasher* 491

Chronic arsenic toxicity from drinking tubewell water in rural West Bengal — *D.N. Guha Mazumder, A.K. Chakraborty, A. Ghose, J.D. Gupta, D.P. Chakraborty, S.B. Dey, & N. Chattopadhyay* 499

Use of flow-charts by nurses dealing with mental patients: an evaluation in Lesotho — *K. Meursing & V. Wankiiri* 507

WHO News and Activities — Notes et activités OMS

Collaborative longitudinal research on alcohol problems — Recommended composition of influenza virus vaccines for use in the 1988–89 season — Dosimetry in radiotherapy — Basic vaccinology 515

Recherche longitudinale concertée sur les problèmes liés à l'alcool — Composition recommandée des vaccins antigrippaux pour la saison 1988–1989 — Dosimétrie en radiothérapie — Vaccinologie fondamentale 521

WHO Recent publications — Publications récentes OMS 529

N° 5

Update — Le point

Immunizing the children of the world: progress and prospects — *R.H. Henderson, J. Keja, G. Hayden, A. Galazka, J. Clements, & C. Chan* 535

The development of the WHO Recommended Classification of Pesticides by Hazard — *J.F. Copplestone* 545

Directives relatives à la prévision des quantités de résidus de pesticides apportées par l'alimentation — *Consultation Conjointe FAO/OMS* 553

Page

Memoranda — Mémorandums

Animal models for HIV infection and AIDS: Memorandum from a WHO Meeting 561

Malaria diagnosis: Memorandum from a WHO Meeting 575

Le point sur la lutte contre l'hépatite virale: Mémorandum d'une réunion de l'OMS 595

Consultation avec les directeurs des Centres collaborateurs OMS pour la grippe: Mémorandum d'une réunion de l'OMS 609

Research — Recherche

Combating severe malaria in African children — *J.G. Breman & C.C. Campbell* 611

Use and limitations of light microscopy for diagnosing malaria at the primary health care level — *D. Payne* 621

Can the case–control method be used to assess the impact of water supply and sanitation on diarrhoea? A study in the Philippines — *J. Baltazar, J. Briscoe, V. Mesola, C. Moe, F. Solon, J. Vanderslice, & B. Young* 627

Towards the eradication of iodine-deficiency disorders in Brazil through a salt iodination programme — *G.A. Medeiros-Neto* 637

Causes of maternal mortality in rural Bangladesh, 1976–85 — *V. Fauveau, M.A. Koenig, J. Chakraborty, & A.I. Chowdhury* 643

Birth weights in two rural hospitals in the United Republic of Tanzania — *J. van Roosmalen* 653

WHO News and Activities — Notes et activités OMS

Management of hazardous wastes — Cholera in 1987 — Public health aspects of toxoplasmosis — The prevention and control of ascariasis 659

Gestion des déchets dangereux — Le choléra en 1987 — Toxoplasmose et santé publique — Lutte contre l'ascaridiase 665

WHO Recent publications — Publications récentes OMS 671

N° 6

Update — Le point

World health situation and trend assessment from 1948 to 1988 — *K. Uemura* 679

Vitamin A supplementation for refugees and famine victims — *P. Nieburg, R.J. Waldman, R. Leavell, A. Sommer, & E.M. DeMaeyer* 689

Vacciner les enfants du monde: progrès et perspectives — *R.H. Henderson, J. Keja, G. Hayden, A. Galazka, J. Clements, & C. Chan* 699

Page

Memoranda — Mémorandums

Persistent diarrhoea in children in developing countries: Memorandum from a WHO Meeting 709

Role of non-human primates in malaria vaccine development: Memorandum from a WHO Meeting 719

Research — Recherche

A simple assay based on HIV infection preventing the reclustering of MT-4 cells — *G. Szucs, J.L. Melnick, & F.B. Hollinger* 729

Safety of oral poliomyelitis vaccine: results of a WHO enquiry — *K. Esteves* 739

Monkeypox virus: ecology and public health significance — *L. Khodakevich, Z. Ježek, & D. Messinger* 747

Prevention of poultry-borne salmonellosis by irradiation: costs and benefits in Scotland — *B.F Yule, J.C.M. Sharp, G.I. Forbes, & A.F. MacLeod* 753

Detection of all human *Plasmodium* species by a telomeric DNA fragment cloned from *Plasmodium berghei* — *T. Pace & B. Mons* 759

Effect of oral contraceptive steroids on the clinical course of malaria infection and on the pharmacokinetics of mefloquine in Thai women — *J. Karbwang, S. Looareesuwan, D.J. Back, S. Migasana, D. Bunnag, & A.M. Breckenridge* 763

Reviews — Analyses

Dust mite allergens and asthma: a worldwide problem — *International Workshop Report* ... 769

WHO News and Activities — Notes et activités OMS

Training modules for household surveys on health and nutrition — Health aspects of housing and socioeconomic development – New candidate pertussis vaccines — Hygiene in animal production: an important tool to prevent human salmonellosis — Poliomyelitis outbreaks in the Gambia and Senegal 781

Enquêtes sur lés ménages portant sur la santé et la nutrition: modules de formation — Hygiène de l'habitat et du développement socio-économique — Nouveaux vaccins anticoquelucheux expérimentaux — L'hygiène dans la production animale, un important moyen de prévention de la salmonellose humaine — Poussées de la poliomyélite en Gambie et au Sénégal 789

WHO Recent publications — Publications récentes OMS 797
